Press Report

INNOVATE'17 and TECHBRAHMA, a project expo to unleash the talents of all engineering and science stream students was held at Velammal Institute of Technology on 13th & 14th February 2017 with all elegance and innovations. During the Inaugural function on 13th February, Dr. S. Soundrarajan, Vice Principal of Velammal Institute of Technology welcomed the gathering and initiated everyone to think out of the box to achieve greatness in innovation. Dr. T. Chandrashekar, Principal, Velammal Institute of Technology in his Presidential Address spoke the importance of inventions and discoveries to the students and about their creativity along with the success story of Innovate from its inception in the year 2012. The expo was declared open by Shri. V. Arul Moorthy, Founder, Davinci Media College and Mr. K. Arun, Sales Manager, UST Global by lighting the kuthuvilakku along with all invitees and dignitaries. Shri. V. Arul Moorthy spoke about his own experiences and innovative ideas in selecting a dream job and motivated the students to find their own to enjoy their life to the fullest.

Mr. Arun, in his speech said about the importance of innovation in Science and Technology and shared his experiences with the students with anecdotes and real life stories. Ms. Hemalatha Shri, Chief Coordinator, Velammal Tech-savvy School thanked everyone with due respect. 387 projects were displayed in the expo by both college and school students from various disciplines of engineering and sciences with utmost care and overwhelming enthusiasm. Mr. Ganapathi Subramanian, Director, Health Care, CTS, Mr. Vangipuram Srinivas, Senior General Manager, Hyundai, Mr. A. R. Vasanth Murugan, Technology Architect, Infosys, Mr. Veerendra Prathap, Senior Manager, Talent Transformation Division, Wipro Technologies and Mrs. Kavitha, Senior Manager, Infosys. They analyzed all the projects thoroughly and selected the winners on the basis of novelty, innovation, creativity, research content and commercialization of the projects. The valedictory function was held on 14th February in which the Chief Guest, Mr. N. Ganapathi Subramanian, Director – Health Care, CTS, has pointed out the importance of projects and innovations to the students and spoke about the contemporary research and development in the industry. Prizes were distributed to all the winners in the Project Expo to motivate them to do more innovations in the future. Prof. S. Ilayaraja, Head, Department of Electronics and Communication Engineering gave vote of thanks. All the participants from the schools and college felt it was so useful for their studies and to promote their research wing. The programme was successfully arranged by Velammal Institute of Technology and Velammal Tech-Savvy School under the aegis of Director, Mr. M.V.M. Sasikumar, and Advisors Prof. K. Razak and Mr. M. Vasu, Principal Dr. T. Chandrashekar, Vice-Principal Dr. S. Soundrarajan, HoDs of various departments and also with the support of Mr. G. Prabhakaran, Executive Officer, TVIS and Coordinators Ms. Hemalatha Shri, and Ms. Lavanya, Velammal Tech-Savvy school along with the staff members in an excellent manner.
